

Visita do alunos de MBA da Haas School of Business da Universidade de Berkeley

Em janeiro de 2009 a Atonus pela segunda vez esteve entre as empresas visitadas pelos alunos de MBA do programa [International Seminar](#) da Haas School of Business, UC-Berkeley, acompanhados pelo professor David Gent.

Durante a visita, funcionários da Atonus fizeram apresentações sobre gerência de negócios, produtos da Atonus, projetos recentes (BIOMAP) e futuros, como o scanner 3D para corpo humano (ANTROPUS).
